Our goal is to adopt our horses to people who are committed to lifetime care to the horses they adopt. The only way we can continue to help more horses is if we are able to place our horses into these types of homes.

We also understand that sometimes things happen that can disrupt the best of plans and or intentions. We will ask you to contact us if circumstances occur where it becomes impossible for you to keep the horse, we also ask that you consider this next question very carefully.

If the horse you adopt is rideable, do you agree to provide care for the horse for the rest of her/his life, even after she/he can no longer be ridden? Yes No

Resale Policy: SEO is seeking permanent lifetime homes for all horse. Therefore, we reserve the Right of First Refusal should the adopter choose to sell the adopted horse. We simply want to ensure that a previously rescued horse never ends up in a bad situation again.
